

## **Gluten Statement / Celiac Disease Statement**

The Caramel Colors manufactured by D.D. Williamson & Co., Inc. are manufactured either from glucose syrup from corn or from sucrose syrups. In addition, our suppliers of corn syrup declare their products supplied to D.D. Williamson & Co., Inc. are gluten free. As all ingredients used in the production of D.D. Williamson & Co., Inc Caramel Colors are gluten free, they would be suitable for use in foods to be consumed by those with Celiac Disease.

Any questions regarding these statements can be directed to Steve White, Global Quality Manager at 502-582-7340 or Katie Prince, Customer Support Chemist at 502-582-7352.
